

## CLASS B MARINA REGISTRATION

A Class B Marina is a facility which provides one berthing space to a vessel that is owned by someone other than the lakefront owner or overnight guest, regardless of compensation.

There is no fee for this registration. However, wharfs and moorings registered for Class B marina use are classified commercial for annual registration purposes. The registration fee for a commercial mooring is \$75, and for a commercial dock the fee is \$3.75 per linear foot of usable dock space.

You will receive a letter acknowledging the receipt of this registration.
